

PTUmedical

Implants & Instruments

PTU medical

 100% MADE
IN GERMANY

We are the Premium Supplier for Medical Companies
in the Fields of Spine and Traumatology.

Certified quality at the highest level

In the field of spine, traumatology and orthopaedics we manufacture a wide variety of products, including bone plates and implants, screws, bone drills and countersinks, surgical instruments, screwdrivers and drilling jigs.

As a responsible supplier, we guarantee consistently high quality and are of course certified according to DIN EN ISO 13485:2016 as well as 21 CFR part 820 FDA registered.

Modern machinery and high-quality machines

Our CNC machine park is specially designed for the manufacture of medical products. We offer you the highest quality at extremely competitive conditions thanks to state-of-the-art production technology.

Our machinery includes:

- Swiss-Type CNC-Machines (up to \varnothing 38 mm)
- CNC 5-axis Milling Machining Centers
- CNC 5-axis Grinding Machines

We look forward to new challenges

If we have aroused your interest, we look forward to working with you.
